Accomplishments

- o Significant increases in dollars and position; most dramatic: Congressional support for large capital investments (new building; Commo and NPIC upgrading; FBIS modernization; SAFE and CRAFT; etc). This is explicit Congressional support notwithstanding negative impression caused by Central America policy disagreement and resultant headlines.

25X1

- o Heightened credibility in the analytic product (Gates' piece in the Post).
- o Returning and expanded human source collection, analytic and linguistic skills to handle considerably expanded functional as well as regional interests.
- o Significant increased application of ADP and telecommunication technologies to all phases of the business.

o

25X1

- o Greater credibility and clout through the DCI in Community matters generally. Certainly the best entry and feedback to and from a President, ever.
- o Rekindled interest in training and R&D (probably directly correlateable to increased resources) as fundamental investments in the future.
- o Some steps in ensuring retention of personnel through more enlightened planning from recruitment to retirement.
- o Legislation: FOIA, particularly; ^{Intelligence} Identities, Personnel Protection et al
